SUMMARY

Product manager with **eight years** in two-sided marketplaces. Turns messy customer problems into clear bets, ships with small teams, and measures what moved. Comfortable from discovery interviews to pricing experiments.

STRENGTHS

- Product strategy
- Customer discovery
- Pricing
- Experimentation
- Roadmaps
- Team leadership

SELECTED WORK

Repeat booking program
Designed rewards and reminders that lifted repeat bookings by about a third in a year, with no new discount codes.

Host pricing tool
Launched suggested pricing that hosts adopted on most new listings within a quarter.

EXPERIENCE

Senior Product Manager
04/2021 – Present
Northwind Stays — Vacation rentals
Denver, CO

Growth

- **Loyalty:** Led the repeat booking program from research to launch, lifting repeat bookings by **~31%**.
- Ran 40+ pricing and checkout experiments with data science, adding **$2.4M** in yearly revenue.

Team

- Grew the guest team to 12 across engineering, design and research, and set its quarterly goals.

Product Manager
06/2018 – 03/2021
Bramble Market — Local food delivery
Remote

- Launched same-day delivery in three cities with two engineers and a designer.
- Rebuilt seller onboarding, cutting the time to a first sale from 9 days to 3.

Business Analyst
07/2016 – 05/2018
Cedar & Pine Consulting
Chicago, IL

- Built the reporting retail clients used to plan inventory for 200+ stores.

EDUCATION

B.S., Economics
2016
University of Colorado Boulder
Boulder, CO
